Company Overview

Gauma Corporation is a leading manufacturer and exporter of eco-friendly cow dung-based products. Our products are natural, sustainable and designed to support organic farming and green energy solutions worldwide

Our Vision & Mission

Vision : Our vision is to position **Gauma Corporation** as a globally respected brand in natural and sustainable cow dung solutions, setting international benchmarks for purity, traceability, and innovation. We aspire to contribute to healthier soils, reduced chemical dependency, and a greener planet by making authentic, nature-based products accessible to the world.

Mission: Our vision is to position **Gauma Corporation** as a globally respected brand in natural and sustainable cow dung solutions, setting international benchmarks for purity, traceability, and innovation. We aspire to contribute to healthier soils, reduced chemical dependency, and a greener planet by making authentic, nature-based products accessible to the world.

Our Core Values

- Purity & Integrity
- Sustainability First
- Tradition with Innovation
- Quality Without Compromise
- Customer-Centric Partnership
- Empowering Rural Communities
- Global Responsibility

Products, Details & Services Portfolio

COW DUNG CAKE & STICK

COW DUNG POWDER

DHOOP & INCESNE PRODUCTS

Organic Manure Powder

Details In Product

1. Cow Dung Cake: Cow Dung Cake is a traditional, eco-friendly and natural product made from pure cow dung. It is sun-dried and processed hygienically for multiple uses such as fuel, religious rituals, agriculture and organic applications.

2. Cow Dung Powder: Cow Dung Powder is a 100% natural and organic product made from pure, dried and finely processed cow dung. It is hygienically processed without any chemicals or additives and is widely used for agriculture, religious purposes, incense making and organic applications.

3. Dhoop / Incense Products : Our Dhoop and Incense products are made from pure cow dung powder blended with natural herbs, essential oils and aromatic ingredients. These products are completely eco-friendly, chemical-free and prepared using traditional methods to provide pure, soothing and spiritual fragrance.

4. Organic Manure Powder : Organic Manure Powder is a natural fertilizer made from pure cow dung and organic materials. It is processed and composted hygienically to create a nutrient-rich soil enhancer that improves plant growth and soil health without using any chemicals.

- Supporting regenerative agriculture
- Empowering rural communities
- Contributing to global sustainability goals

Authentic sourcing • Scientific validation
• Ethical practices • Global trust

*Gauma Corporation is where tradition meets international standards—
delivering nature-based solutions for a healthier planet.*

WHY GAUMA CORPORATION IS DIFFERENT

1. Export-Grade Quality, Not Commodity Supply

We do not operate as a raw-material trader. Every Gauma product is:

1. Treated, processed & quality-checked
2. Batch-consistent and export-compliant
3. Supported with documentation and traceability

2. Science-Backed, Data-Driven Approach

Gauma integrates laboratory testing, soil understanding, and application guidance.

1. Pathogen & safety testing
2. Crop and climate-based recommendations
3. Usage clarity for international conditions

WHY GAUMA CORPORATION IS DIFFERENT

3. Green Label – Our Ethical Standard

We maintain our own internal sustainability benchmark:

1. Ethical sourcing
2. Chemical-free processing
3. Transparent operations
4. Environmental responsibility

4. Customization for Global Markets

We tailor products and services to:

1. Country-specific soil & climate
2. Crop requirements
3. Regulatory and labeling needs

WHY GAUMA CORPORATION IS DIFFERENT

5. End-to-End Export Support

Gauma simplifies international sourcing through:

1. Export-ready packaging
2. MSDS & product data sheets
3. Private labeling & white labeling
4. Dedicated export coordination

6. Long-Term Partnership Mindset

We believe in partnerships, not transactions.

1. Subscription supply models
2. Exclusive formulations
3. After-sales technical support
4. Continuous improvement collaboration

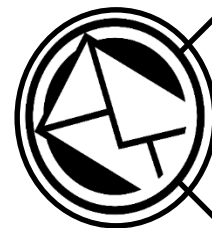

LET'S MAKE SOMETHING AWESOME TOGETHER.

"COMING TOGETHER IS A
BEGINNING,
STAYING TOGETHER IS
PROGRESS,
AND WORKING TOGETHER IS
SUCCESS."
